RE: TAS teacher position (2025)

To whom it may concern,

Please accept this letter as an expression of my interest in the TAS teaching position. The Mount St Joseph Catholic College has been established as a well renowned educational institution in the area, with a strong focus to foster resilient and informed students. This captured my interest for the teaching position, as TAS is diverse in its subjects with each developing a unique skill set that can inform and empower students for the future.

I am a highly motivated and progress-focused Learning Support Officer (Mathematics) with further experience in Tutoring across a range of NSW subject areas. This range of experience has developed a strong pedagogical approach to cater for a range of individual student and groups, which I believe will prove valuable to Mount St Joseph Catholic College.

In my current roles as a Learning Support Officer and Tutor, I contribute collaboration, critical thinking, and organisational expertise to support both students and staff. I am forward-thinking and stay informed about new developments in education, which helps me bring innovative approaches to my work. I have a proven track record of working collaboratively within teams, coordinating activities, and achieving common goals with efficiency and precision.

Thank you for your consideration of my application. I would greatly appreciate the opportunity to speak with you regarding my candidacy.

Kind regards,  
Ricky Huynh
